

Shoreline Master Program Update City of Issaquah

Figure 30
Parks, Open Space and Publicly Owned Lands

-  City Limits
-  Potential Annexation Areas
-  Parcels
-  Issaquah Parks
-  Other Publicly Owned Lands
-  Waterbodies
-  Streams
-  Trails
-  I-90
-  Major Roads

This map is intended for planning purposes only.

This map depicts parks, open spaces, and potential shoreline access sites that were known at the time of publication. Park and open space acquisition is an ongoing process in the City and so newly acquired properties may not be shown.
